

Money In Budget For Complete Grant Says Dales' Reply

The resignation of Mayor Dr. L. W. Dales was refused by the Newmarket town council, meeting Monday night. The resignation, sent through the mail to the clerk, Wesley Brooks, said, that the council's attitude towards the mayor's welfare "amounts to a definite want of confidence motion."

On a motion from Councillor Joseph Vale, seconded by Deputy-Reeve J. L. Spillette, the resignation was rejected.

Text of the mayor's letter of resignation:

"After many years of public service in the town of Newmarket, and very pleasant associations with those responsible for the town affairs and management, I feel it necessary at this time to offer my resignation, to take effect immediately. My reason, without a lengthy explanation, is that the present attitude of the council in regard to my welfare policies amounts to a definite want of confidence motion."

"I shall always observe with interest the future growth and development of the town which has been my home for many years."

Text of the clerk's letter to Dr. Dales:

"Your resignation of April 1 was presented to the council at their meeting Monday and I have been instructed by members of the council to convey to you their unanimous decision that your resignation be not accepted. It is their earnest desire that you will continue in the capacity of mayor of the town of Newmarket."

NO PRECEDENT FOR MAYOR'S RESIGNATION

Asked whether or not he knew of a precedent for the resignation of a mayor in Newmarket, Fred A. Lundy, former reeve of Newmarket and last year warden of York county, said that as far as he could remember, the resignation of Dr. L. W. Dales from his office as mayor was the first time such a thing had occurred in Newmarket.

"I recall the time the mayor and the whole council resigned during the Hydro fight but that was 30 years or so ago," Mr. Lundy recalled. "I don't believe I have ever heard of a mayor, or for that matter a councillor, resigning in the middle of his term."

While Dr. Dales' resignation has been presented to the town council, the clerk, Wesley Brooks, was instructed to write Dr. Dales that his resignation had not been accepted.

H.-S. PROGRAM RAISES COST OF PROJECTOR

A sum of approximately \$125 was raised by the Newmarket Home and School Association during a two-night hobby show and play at the Newmarket town hall Tuesday and Wednesday. Mrs. M. B. Seldon, president of the association, said the money will be sent to the public school board for the purchase of a film projector for use in the schools.

The program featured the art and handicraft work of the senior grades of the public schools, and of the handicraft groups of the Home and School Association.

A one-act farce entitled Thursday At Home with a cast composed of members of the association and directed by Mrs. Dorothy Bowman, was well received. Following its presentation, Mrs. Bowman was presented with a bouquet of roses from the cast.

The program included musical numbers by pupils of the public schools. Barbara Gilroy played a piano solo; selections were sung by choruses from the public schools under the direction of John Lummis and Mrs. Grace Smith; Peggy Calvert and Nancy Bell played a piano duet; Lorraine Gillespie and Donald Brice sang a duet.

A bouquet of snapdragons was presented to Miss Eva Barnes from the association for her work in arranging the handicraft and art exhibits.

URGES MORE INTEREST IN WORK OF ARTS CLUB

The Newmarket Arts club will meet April 10 at 8 p.m. in the council chambers over the fire hall. Main topic for discussion will be the exhibition of members' work which is planned for next month.

"The recent enrolment of members has been most encouraging," said the secretary, Ross Hugo. "It is felt, however, that a greater representation of local artistic talent is possible and the arts are asked to get behind this endeavor and demonstrate their approval in a concrete way."

RESUMES PRACTICE

Dr. W. O. Noble, absent for three and a half years with the Canadian Dental Corps, has resumed his dental practice in Newmarket.

Long In Business Here, Chas. F. Willis To Retire

After 42 years a tailor in the same shop on Main St., C. F. Willis is retiring at the end of this month. The building housing Mr. Willis' shop and the store of C. G. Wainman next to it, has been sold.

"At the end of the month, I am leaving the store and I am not going to return to work," said Mr. Willis. "I have a garden that wants a lot of attention and there is some bowling that I want to do."

Mr. Willis has been in the tailoring trade for 52 years. Coming from Toronto, he opened his shop at its present site in Newmarket. "I sold my first suit to Tom Doyle March 19," Mr. Willis recalled.

Mr. Willis bought his store from L. Atkinson 20 years ago. Mr. Willis, an active bowler, has been the secretary of the Newmarket Lawn Bowling club for many years.

49TH ANNIVERSARY

Mr. and Mrs. Wilfred Heacock, Yonge St. north, celebrated their 49th wedding anniversary last week. Mr. Heacock, who walked to Aurora from Oak Ridges on his wedding day, is now 80. Mrs. Heacock, who walked from Sharon to Newmarket and came by train to Aurora the same day, is 75. Both are in fair health. Mrs. M. Morris of Aurora is a daughter.

SAY H.S. AREA WOULD LOWER RURAL TAXES

Members of the high school boards and other municipal officers of Newmarket and district heard a discussion in the advancement of high school areas at a meeting in the Newmarket high school Wednesday night which was addressed by G. L. Duffin, member of the department of education for Ontario.

The meeting at Newmarket was one of a series of meetings which have been held throughout the county.

Mr. Duffin's proposal to his audience was that a high school area for the Newmarket high school be formed as soon as possible. Pointing out that municipalities were under no compulsion to form such an area, that it could only be done by request from the municipalities involved, Mr. Duffin stated the following points in favor of the proposal:

The worth of a school is determined by the number of pupils attending it. A small school cannot provide a large curriculum, cannot include separate agricultural, shop, home economics, commercial and academic courses. A school area with an assessment of five to ten million dollars and with a population of five to ten thousand people provides a school with an enrolment of 300 or more which is large enough to provide the above courses.

Improved taxation. At the present time, rural people pay taxes to the county which have little or no bearing on the schools in their locality. In the high school area, taxes would be paid directly to the school. Under the conditions above, it is estimated there is no increase in taxation but there is provision for a better school. In some instances, Mr. Duffin said, there has been a decrease in taxation.

Transportation. A condition of a high school area is the provision of transportation for all pupils needing it. It has been found, Mr. Duffin said, that the cost of transportation is easily borne in a high school area because of lowered taxation.

In summing up, Mr. Duffin said that the intention of the high school area plan was to consolidate schools so that instead of two or three small schools with little funds for improvement and unable to maintain broad curriculums, one school is provided with sufficient enrolment to provide a complete secondary school curriculum including shop work, home economics, commercial courses and academic courses.

"Naturally, in a high school area, there would be representation from all sections contributing to the upkeep of the school," said Mr. Duffin. "There would be rural representation as well as municipal. That is not the case now."

S.A. TEMPLE BAND PRESENTS PROGRAM

Two hundred attended the musical festival on March 27 conducted by the Salvation Army Temple Corps band of Toronto. The band was under the direction of Bandmaster A. E. Boys.

The band opened the service by a hymn selection, followed by the congregation singing Onward Christian Soldiers. Major Hamilton played. Mrs. Adj. Leslie Pindred read a Scripture portion. Capt. Arthur Robinson introduced the chairman, Adj. Leslie Pindred, and the band.

The band played the selections of Under Two Flags, English Melodies, Scandinavian songs, the latest march published by the Salvation Army and Memories of Galilee. Bandsman Stan De'ath, A.T.C.M., gave two pianoforte solos entitled Rhapsodie Mignonne and Tarantella.

The instrumental quintette played two items, a march and Sunbeam. J. Judge sang as a solo, Oh How He Loves, and the band members as a whole sang a selection, J. Bray played a cornet solo, Carnival of Venice. Roy Langford thanked the band. Bandmaster Boys pronounced the benediction, followed by the National Anthem.

Expect Eight Veterans' Homes Ready by July

Eight one and a half storey cottages are nearing completion on the property purchased by the department of veterans' affairs on the east side of Newmarket and north of Connaught Gardens. The property, purchased by the government last fall, was originally intended for one-acre holdings but since then the plans have been changed and the present houses are on half-acre lots.

It is intended to straighten the east end of Queen St. so that it will make a square corner with the continuation of Pleasantview Ave. and the homes are built along this street line.

For veterans only, Reg. Ball, foreman, estimates that the houses will be completed in three months but warns that material shortages may delay completion. Present plans provide for only the eight houses.

A digging machine is on the project now and putting in sewer ditches.

The foundations for all eight are in and the roofs and walls in place. Work is proceeding now on the interior. The homes will be completed in every detail. Ranging from five to six rooms, they will have hot-air furnaces and complete plumbing. The floors will be of hardwood with six of the homes having asbestos cedar grain shingles and two of them cedar side shingles.

The work is being done by Hill-Clarke-Francis Ltd., New Liskeard.

BOB BENVILLE HEADS TOWN CYCLE CLUB

An organization meeting to form the Newmarket Cycling club was held last Wednesday in the room over the fire hall. Robert Benville was named president. Other officers are Mickey Smith, vice-president, Orla Larson, secretary-treasurer.

The club plans to hold an open race for boys on ordinary bicycles over a seven or eight-mile distance in Newmarket on the evening of April 17, weather permitting. A general meeting is scheduled for tonight, Thursday, April 4, to which all interested in cycling are invited. The meeting will be held in the room over the fire hall.

It is hoped that some of the members will be entered in the Canadian Wheelmen's Association this year. Mr. Benville is entered in the 25-mile High Park event for the Dunlop trophy May 24.

NEW GORMLEY FOUNDER WILL RESIDE HERE

(The Stouffville Tribune)

G. W. Baker, who built the first building ever erected in New Gormley and thereby started what is now quite a sizeable and attractive hamlet, has just disposed of his last holdings there in the sale of the house and garage to Floyd Banford, Oakville, an experienced gamekeeper, and his father who now lives in Port Colborne. Mr. and Mrs. Baker will shortly move to Newmarket where they have just purchased a house.

The retirement of Mr. Baker from New Gormley recalls the fact that he not only erected the first building there, but he was the first man to carry on business in the place, handling coal and other commodities. He states that when he started building there was good prospects of the C.N.R. coming through and it did come shortly after. The first car of coal to stop at Gormley was consigned to Mr. Baker. It cost him \$5.32 wholesale at the Bridge and it sold for \$7 a ton. Good coal and no trash in those days, says Mr. Baker. The margin of profit was narrow, he states, but all the dealer had to do was to weigh it out. Farmers came and did their own shovelling and cartage.

The coming of Mr. Baker from the store at Almira 40 years ago is undoubtedly the cause of the present hamlet being on the map today and he can rightfully go down in history as the founder of New Gormley. Since that time around 1900, many fine homes have been built, a church and a store, as well as the Baker business. One of the larger houses in the hamlet was built on the north side by Mr. Baker who sold it last year to Arthur Heaton, Markham. Mr. and Mrs. Baker expect to move to Newmarket about the first of May.

TO HEAR SPEAKER

The Easter thank-offering of the Evangelical Auxiliary of the W.M.S. of Trinity United church will be held in the church on Tuesday, April 9, at 8 p.m. Mrs. R. J. Simpson is bringing Mrs. J. J. Knights, an honorary member of the Toronto Central Presbytery, to address the meeting. Her subject will be "Christian Stewardship." A social half-hour will follow.

Favor Recreation, Won't Increase Aid, -Town Councillors

Asserting that they were 100 percent behind the community recreation program, members of the Newmarket town council Monday night refused to increase the grant of \$500 to the Newmarket Community Recreation Council to the \$1,000 asked for by the recreation council.

Members of the town council said that should the recreation council find that it was in financial difficulties later in the year, the town council would listen favorably to requests for additional aid.

Reeve Arthur D. Evans was in the chair in the absence of Mayor Dr. L. W. Dales whose resignation was sent to the town council by mail. Present besides the eight town councillors were members of the Newmarket Community Recreation Council executive including the chairman, C. R. Blackstock.

A letter was read by Mrs. Caroline Edwards, a copy of which had been sent to every member of the town council and which had been approved by the recreation council executive, in which it was said that the refusal to provide the full grant could only be interpreted as want of confidence in the recreation council and would be followed by the resignation of the recreation council executive.

Members of the recreation council were present at the council meeting to observe proceedings and to answer any questions which might arise about the work of the recreation council.

Mrs. Edwards said that she had been at fault since, although she had given regular reports of the recreation council activity, she had failed in bringing to the town council table the enthusiasm which was felt by the recreation council. She continued: "The machinery for co-ordinating a community recreation program is set up. Plans are ready for a house to house canvass. I have been assured that some of the industries are in favor of such a program. The provincial government considers recreation in the community of such importance that it is ready to provide grants up to one-third of salary expenses. Other places have been more than delighted with the results of such a program and the work that has been accomplished. Such a program is badly needed here. Last year, the school board sent the council a letter asking that such a program be initiated."

C. R. Blackstock, chairman of the recreation council executive, said: "There is no intention of waving a big stick. The grant of \$500 wouldn't last four months, as a salary for a recreation co-ordinator at \$125 a month. We are not prepared to go on unless we have the support of the town council as shown through the grant we asked for."

Frank Bowser: "Did you understand that if the recreation council got into trouble, it could come to us again? We have done that before, given grants and then helped again when it was found the grants weren't enough. The feeling is that we have big expenditures ahead but we want to keep the mill-rate down. We have to figure on those working in the lower salary brackets who must foot the costs. We haven't turned a cold shoulder to your proposition."

Joseph Vale: "We have all sorts of requests. Everyone wants increases in grants. We make increases as we can. Everyone comes to us and we meet their requests the best we can. We have cut down on our own committee requests."

Deputy-Reeve J. L. Spillette, chairman of the finance committee: "For example, a request from the roads and bridges committee for \$13,500 was cut by \$2,975. The property committee requests for \$4,300 was cut by \$1,300. We are not getting the income we used to get from electric power which helped a lot in financing the town. Bringing new industries here has meant heavy expenditures. We had to level the trolley right-of-way at a cost of \$1,023. A steel bridge for a railway siding into the property will cost \$8,000. For garbage disposal there is \$2,000. The county levy is up because of hospital expenses and the Children's Aid. We are faced with a very tough situation."

Mr. Blackstock: "As an executive and subject to majority rule, we decided that unless we had the assurance of \$1,000 from the Newmarket town council we would be unable to carry on. We wanted to know what we were getting so we could plan our expenditures."

Mr. Vale: "We have to reconcile all sorts of demands for money too. If you could limit your expenditures to what you have, \$500 from the town council, approximately \$1,200 from a canvass in town, and the \$800 from the grant, you would have \$2,500, then if you found yourself faced with unforeseen expenditures, you could appeal to us for help."

H. W. Bell, chairman of the facilities committee of the recreation council: "Then, let us have a guarantee of your aid in the future."

R. C. Morrison: "I understood that when the council refused to give more than \$500 last week, that if the recreation council were to appeal for help, it would meet with a favorable response from council in the fall. I have still that belief."

Reeve A. D. Evans: "We are interested in the health and recreation of Newmarket. We have all the other concerns of the town as well. If you need help, you can apply to us again."

Deputy-Reeve Spillette: "I would like to know if the editorial in The Era and Express was sanctioned by the recreation council?"

Mr. Blackstock: "No, it was not. On the other hand, however, I certainly claim the right for the editor to voice his opinion."

Mr. Vale: "I can't get over your attitude. You threaten to resign if not granted the money you ask for. Supposing all organizations took that stand?"

Mr. Bowser: "Would you reconsider your letter. You don't know how much you are going to spend. You don't know if the people are going to support you for \$300 or \$3,000."

Mr. Blackstock: "Would it be asking too much to be assured of the remainder of the grant at a later date?"

Mr. Vale: "In all deference to your associates, Mr. Blackstock, when I heard of your request for \$1,000 I wasn't too keen. I compromised on \$500. With the other money you have or hope to have, it gives you a total of \$2,400 or \$2,500. If we saw the program clicking, we would have every justification for helping you. If the program works, we are not going to see you stuck. You should start your program within the limits of what you have."

Mr. Blackstock: "We are starting in a small way even with the amount we asked of \$1,000."

Mrs. M. B. Seldon, chairman of the finance committee of the recreation council: "We set the sum of \$3,000 as a start on the advice of the department representatives who also advised us that we should ask of the council \$2,000 and not \$1,000 as we did. We have asked the least possible amount."

Reeve Evans: "Everybody is interested in the welfare of the town. At the present time, I am not prepared to vote the \$500. I suggest you come to us when you need help."

J. A. Perkins: "Like the others, I am most interested in seeing the recreation program being a success but I do not feel that we should grant \$1,000 now."

Mr. Morrison: "We are all in sympathy with the recreation council. I would like to see the members of the recreational council carry away with them a verbal assurance of aid in the fall."

G. M. Byers: "You have the support of the town council. I would like to ask you once again to continue within the limits of what you have and place trust and confidence in the town council to help you if needed."

Deputy-Reeve J. L. Spillette: "I want you to feel that the finance committee is 100 percent behind the recreation council. We certainly have a budget sufficiently elastic to help you."

Mr. Vale: "I will not guarantee the \$500 in the fall."

Mr. Blackstock: "Summing up then, as I understand it, you want us to go ahead with what we have, live within our present finances, and if something unforeseen comes up, we can approach you."

Mr. Blackstock said that there would be a meeting of the recreation council to discuss the town council decision and the meeting ended with members of the town council shaking hands with Mr. Blackstock and giving assurances of good-will.

NO CHANGE

Despite the assurances of members of the Newmarket town council that they are enthusiastically behind the Newmarket Community Recreation Council, despite the assurances that the town council will listen sympathetically at a later date to requests for financial help by the recreation council, the Newmarket town council did not move to grant the request of the community recreation council for \$1,000.

The town council's contribution still stands at \$500. We can't see, despite the foregoing, that there has been any change in the situation since last week. We can see no reason for altering our opinion that members of the town council are paying lip service only to community recreation.

The fact remains that despite repeated requests that members of the town council put in writing their assurances of a "sympathetic hearing" for additional financial aid in the fall, they refused to do so. Members of the council are unanimous, verbally, in supporting the recreational council. They refuse to say so in writing.

There is no legitimate reason why the grant sought by the recreation council of \$1,000 should not be made. Members of the town council, as reported on the front page, argue that in view of the heavy expenses for Newmarket this year, they cannot see their way to grant a fledgling organization like the recreation council \$1,000 without evidence of its work to justify the sum.

Yet in the words of the chairman of the finance committee of council, Deputy-Reeve J. L. Spillette, the town budget is sufficiently "elastic" to cover a financial embarrassment of the recreation council in the future. What is the difference between covering the recreation council's bills sometime in the future and paying the full grant now? For if the recreation council goes ahead with its present inadequate grant, it will surely show a red figure for the amount, at least, which the town council is not granting now.

Councillor Joseph Vale suggests, however, that the recreation council trim its budget to what funds it has now which would total in round figures: \$200 (provincial grant on last year's activities); \$500 (town council grant); and \$1,200 (estimated return from a door-to-door canvass of Newmarket); a total of \$2,500. Mr. Vale's suggestion is that the recreation council should start slowly and justify its claim to larger grants on what it can accomplish with this amount.

The flaw here is that a town council grant of \$1,000 is the minimum for even a slow beginning. Community recreation can be an expensive business. The recreation council, knowing this, has held its plans to a minimum and \$1,000 from the town council is in turn indicative of that minimum. As for the justification of its demand for \$1,000, members of the town council need look no further than the splendid program carried on by the Lions club last summer for six weeks.

The Newmarket Lions club program was open to public school age children only and was operated during the afternoons only. The bill for those six weeks was over \$600. To provide an equivalent program the year round would cost \$5,200 at least. Yet the community recreation council plans an all-day, all-ages program and this on a budget of \$3,000. The recreation council need not be concerned with justifying its need nor its request for \$1,000. The facts speak for themselves.

Here, then, in brief is the situation as it exists now. The town council supports the recreation council. The town council will listen favorably to requests for further aid in the fall. The recreation council is assured the budget is sufficiently elastic to accommodate them in the fall. But the town council refuses to put those offers in writing. No further comment is needed.

THE COMMON ROUND

By ISABEL INGLIS COVILLE

It has been said that "honest confession is good for the soul" and I am quite willing to confess to a liking for mystery tales in spite of the fact that a great many people explore my taste in this matter.

Be that as it may, a road, for me, always holds something of the fascination of those same tales. One never knows what may be just around the bend. Maybe the road is shaded with trees so old and so beneficial with shade that one wonders who may have had the foresight to plant them just where a stretch of level, treeless land made them doubly welcome.

Maybe a sudden curve brings into view a little pond lying like a mirror, just set there to reflect the gold and crimson of a glorious sunset and even the shadow of wings, as a bird hastens homeward at the close of day.

Along these roads live people like you and I. They travel along the roads with their cares and their sorrows and their joys. Some count the road as a friend

ROADS

—some as a foe—a good many people regard it in the latter light at the present time.

When you see a car bouncing like a rubber ball in front of you, you know that your turn is coming and if the Alhambra were to rise suddenly before you that it had no right to be there at such a time to distract—no, try to distract your attention from that road. And as you emerge from the bog holes and ruts you feel as if you had fought a battle—a losing one.

And then, the houses along the roads—how they intrigue one. There are the great big houses looking as if they had been built to house a huge family and yet there is no sign of life about the place and we wonder if the family have all gone and if behind those immaculate curtains are two lonely old people living on the memories of past happiness. For them the road is only a convenience—not now do they watch it for the children coming home from

school or college—it has lost its mystery for them.

There is the small house with not much order about it and with no immaculate drapes—but with children spilling out from front and back and usually with a dog as busy as the children. To them the road is a joy—they know the kinds of cars that travel it, they admire the great trucks and tractors and find romance in all its aspects. What a boon it would be to such a family if an old time circus caravan could pass them by. For that was a sight to remember and children nowadays miss the thrill of it.

Then there is the closely shuttered, grim house about which, if one is blessed or cursed with any imagination, one can make up wonderful tales. Maybe there has been a murder committed there at some time and the house is haunted. Maybe a band of crooks have made it a refuge. Maybe a misanthrope has retired there to get away from a world he despises.

Or in sharp contrast to all this, maybe we turn a sudden corner and there, with a spire soaring heaven-ward, is a little country church, hallowed by the prayer

OTTAWA LETTER

by
"Jack" Smith, M.P.
North York

The first division of the house came this week, and indicated increased government support. The want-of-confidence motion presented by Conservative Leader Bracken was voted down 149-48, and a C.C.F. motion defeated 182-25. Just before 6 p.m., Wednesday, a Social Credit amendment was lost 156 to 34 votes. Supporting the Social Crediters were the most of the C.C.F. and five Conservatives. The debate on the speech from the throne concluded Thursday, a saving of about two weeks as compared to last session. It was adopted on division without a recorded vote.

The present standing of the parties in the House of Commons is as follows: Liberals, 128; Progressive Conservatives, 66; C.C.F., 28; Social Credit, 13; Independent Liberals, 3; Independent Conservatives, 1; Independent C.C.F., 2; Labor Progressive, 1; total, 245. It will be seen that if all members other than Liberals and Independent Liberals voted against the government, the vote would be government 129, opposition 116, majority 13. The government always has a majority much larger than 13 because many groups and members of the opposition are much closer to agreement with government policy than they are with the opposition. For instance there is a very marked difference of opinion between C.C.F. and Social Credit members.

On a question of privilege, Prime Minister King answered a statement made by Tim Buck, Labor Progressive leader, here this week that Mr. King had held out on aid to Russia in the most critical period of the war. Mr. King quoted mutual aid figures showing Canada gave impressive aid to Russia during the war, running to \$97,633,000 in 1944-45 alone. Fearful that Mr. Buck's statement might be

published in Russia, Mr. King said he made his rebuttal statement in the hope it would be given wide publicity, not only in Canada, but in Russia as well.

This week in the house, I had the privilege of seconding a bill to designate our annual national holiday of July 1 as "Canada Day." The purpose of this bill is to achieve a better identification of our national day, in the hope of inspiring a more ardent spirit of patriotic Canadianism.

Labor Minister Mitchell announced government policy to increase the number of conscientious objectors in agricultural work for the coming crop season. Until all or practically all of the enlisted men are demobilized from the armed services, Mr. Mitchell remarked, the government plans to have conscientious objectors carry on either alternative service work or work in agriculture.

Agricultural Minister Gardiner announced new understandings and contracts with the British government for the export of bacon and ham, cheese, evaporated milk, eggs and meat over the period of the next one, two or three years.

To reach the high export objectives set in the different agreements, it would appear that Canadians will face continued meat and butter rationing for an indefinite period, possibly as long as the next two years. The agreement on bacon and ham calls for an increased price to be paid by Britain, amounting to about \$3 per hog. Accordingly the government here is cutting the wartime premiums paid on better class hogs for export. The wartime drain on the federal treasury for the payment of hog subsidies will be lessened to some extent with a resultant net increase of \$2 per hog in price and premium combined to the Canadian producer.

tempted to bid Him depart out of our lives as once Peter did. Fear has us in its grip and we do not know what to do. If we will not listen, and not talk so much! It is when all seems to be at its worst that the consoling words fall upon our ears; "Fear not." It is then that we are face to face with our Lord.

It is fitting that Christ should say "Fear not." Fear must have assailed Him at times, yet He overcame every fear. It was in faith in His Father that fear was banished from His soul. The bold man is not the braggart nor the foolhardy, but the man who knows the danger which faces him, and bravely goes on in faith. Such was Christ in His perfect manhood.

As He spoke, on one occasion to Peter, conscious of His mastery over the situation—while at the same time, Peter was so conscious of his own unworthiness—so will He speak the same "Fear not" to us. Whenever we face the unknown, and are afraid, we need to hear these words of Christ, and hearing, then to face the unknown with courage, resolution and strength.

TO THE EDITOR

The Editor, The Newmarket Era and Express: We live in the midst of one of the most delightfully picturesque countrysides in North America. Even during the hottest days of summer, one can find pleasant, cool streams and wooded sections and there are parts which are reminiscent of Old Quebec and the heights of Muskoka.

Yet in the midst of all this natural, and I may add, profitable beauty, we find piles of empty cans and other plain junk dumped into streams, left on the roadside or even thrown right into the right-of-way. Just now, there are three of such eyesores on the townline. One of them consists of large pieces of broken glass. (Very nice if children would be running around barefooted, as they will be later on in the year.) There is really no excuse for this kind of thing. It is wrong from any angle. Also I believe it is illegal for the rubbish of the town can be taken care of by the town and the farmers should be able to find some hole on their property and then dump their junk into it.

The situation at present needs attention, for if left to grow it will ruin a delightful countryside and at the same time bring mosquitoes and diseases in its train.

C. J. Hauser.

Public Enemy No. 1

CANCER

○ Cancer is exceeded only by heart disease as a cause of death. Because it frequently means long and cruel suffering, and is the disease we dread most, it most decidedly ranks as Public Enemy No. 1.

Yet cancer in its early stages usually causes no pain. That is why relatively few cancers get any treatment in their early stages when most of them can be cured by radium, x-ray or surgery.

Cancer of the lip may be mistaken for a cold sore that does not heal. The first sign of cancer of the throat may be hoarseness. Cancer of the stomach, in its early stages may be mistaken for indigestion.

To cut down the death rate from cancer in Ontario (5193 Ontario people died from this disease in 1943) funds are now being raised and a drive is being organized in this province to conquer cancer. Here are the objectives of this campaign:

1—To organize and operate fully equipped cancer clinics at suitable centres where people may be examined, and, if necessary, treated according to the latest scientific methods.

2—To pay a portion of the cost of treatment of cancer for those needing financial help.

3—To pay travelling expenses to and from clinics if needed.

4—To conduct an energetic program of cancer research in Ontario.

As a citizen of Ontario you are asked to contribute to this very worthy cause. Your donation may help pay such measures into effect as will save the lives of some of your loved ones—even your own life. It may help to free the world forever from the dread scourge of cancer.

This appeal is for an objective of \$2,000,000 to provide for a three-year program of cancer research, treatment and province-wide service.

DOWN THE CENTRE

By AB. HULSE

Keep your fingers crossed this week as Del Babcock's game little (?) Aurora Lions midget hockey team seek a place in the sun and the O.M.H.A. B championship. Thorold, which oppose Aurora for the Dr. Leon Hipwell trophy, won the series in 1944-45 the first year for the series and they are reputed to be pretty hot stuff. Teams from the Niagara peninsula are generally well coached and full of ability and there is no gainsaying the fact that in minor hockey southern and western Ontario have been in the van.

The Aurora kids have come along nicely from the crew which eliminated Fred Hall's Newmarket club. They are 100 percent better. The main causes being the addition of Jack Atkinson of Richmond Hill to bolster the defence (and along with that, the improved play of Jack Andrews), and the fact that Ron Simmons, Billy McGhee and Walt Davis are playing one brand of hockey only. Not since the palmy days of 1939-40 has an Aurora club gone as far, and the entire district is pulling for them to come through. Win or lose, they'll still be tops in our books and in the hearts of district hockey fans.

A fanfare, Mr. Bugler, for those Sutton Greenshirts who pulled one of the biggest surprises of the season to defeat Crowland Bisons 10-2 in Barrie last week and take the O.R.H.A. A intermediate series 14-10 on the round. It was a complete reversal of form which left the Niagara peninsula representatives draped on the ropes. Leon Smith headlined the performance of the Pringle crew. It was his second championship of the year

(remember Zephyr Blues?), and it was the first time in what must be almost ten years of hard toil for Sutton that "Smitty" has played on a championship team. It is most fitting that in his first year in civvies after war service overseas the popular netminder should cash in. No more popular player has performed these many years in North York. It couldn't happen to a better fellow.

Ellis Pringle, who started unsuccessfully with Aurora Tigers in the coaching business back in 1940, gets his second Ontario championship which moves the big fellow into the charmed circle of coaches. Sutton won the O.H.A. A series in 1942 and with practically the entire team enlisting, this year's club was the first in organized hockey since 1942. We had a look at the Crowland roster and it looked like a Notre Dame line-up. Here are some of the names of the Bison players: Sekel, Superka, Hodowan, Turonski, Latnack, Szmusiak, Lutka, Yatchoff, Omos, Sheski, Kucy and Stubbins (how did he get in?). These New Canadians knew their hockey, however, and Sutton had to go all out to take the Hon. George S. Henry trophy.

Alliston and Cayuga were tied in their senior series, one game each, at last reports and if Sutton wishes to do so they have the right to play off with the winner for the All Ontario O.R.H.A. championship and the Chas. E. Downing trophy. Sutton, according to reports, is a bit divided in opinion about that, not because of the opposition but because some of the lads rightly enough feel the season has been too long. If they do decide to continue we think they can take the senior winners.

Hail the champs: goal, Leon "Smitty" Smith; def., Bud (260 lbs. on the hoof) Gilbey, Carson Fairbairn, Rex Sedore and Bob "Banker" Dunn; forwards, "Skippy" Taylor ("Little Poison"), Fred "Zeb" Taylor, Dick Pearson, Dave "Hood" Burrows, Ivan Gilbey, George Holborn, George Lamont, Jim "Gus" Noble, "Slip" Snodden and Holder (sub goal). Hope we haven't missed any in the shuffle. Reeve Bill Wallace, Jack Sibbald, Frank Culverwell, President Burrows and all the rest are mighty proud of the lads and a bang up celebration is being planned.

Scotty Mair has been receiving plenty of publicity in recent days. Connie Smythe of the Leafs has Hughie marked down on his "must have a good look-see" list for next season, and why not? The former Aurora junior led all the Leaflet farm hands down Tulsa way in scoring, ending the season in fourth place in the entire league and Gus Marker had some more highly rated players than Mair. "Scotty" earned 67 scoring points, composed of 39 goals and 28 assists.

Only "Butch" McDonald of Kansas City, top scorer with 95 points, and Reed of Dallas, in second place with 87 points scored more goals each getting 40 goals. "Wingy" Johnston of Kansas City, who started the season with Chicago Black Hawks, was the only other scorer to top Mair, being in third place with 72 points and scoring one less goal.

The talent in the United States Hockey League is better than usual this year so in reaching the top flight among the league snipers, Mair has produced the best hockey of his career. He is now 25 we believe, not too old to start in the bigtime. Last year at Owen Sound, he didn't get a chance. Next year will be different, so the fed-up Leafs big shots say. Tulsa Oilers are engaged in a big series with Omaha Knights (Red Wings farm club), for the right to go into the finals. The series had Tulsa in front last we heard.

Down south Lefty Wilson, who won fame as goalie for Toronto navy in those big games against Newmarket camp last winter, is bashing and fielding the old pill with both skill and abandon as a member of Louisville Colonels. He's just a year away from the big leagues according to press reports. Joint McComb is back home again from Providence after a highly successful season. The Reds, which finished third in the eastern section of the American Hockey League, bowed out to Cleveland Barons in straight games. The Barons were hot in the finals, the Reds weren't. That's the story. We understand because of illness, McComb didn't get in to the last few league games and if he played in the finals, it was certainly under wraps. Providence, with the exception of Pittsburgh Hornets, had more new faces in their line-up this season than any club in the league. Providence had 11 newcomers and it takes quite a few weeks for the boys to click as a unit. Official A.H.L. press releases which we receive regularly through the courtesy of Maurice Podoloff, league president, as late as March 21 refer to McComb as "the up and coming Providence rookie, Bill McComb". A few weeks ago, John Aborn, sports writer for the Providence Evening Bulletin, featured Mc-

ELIMINATE the feed hazard in chick raising

It isn't enough to know the analy-
sis of a feed—you must know how
that analysis is made up. You
must know how many pounds of
the expensive ingredients like pow-

Back on the
JOB!

Of the 2,500 Bell employees who
enlisted for war service, over 1,700
are back on the job. They have been
given refresher courses to bring them
up to date or to help them recapture
their old skills.

Ninety per cent of those returning
want to continue in telephone work.
Eventually, we expect thirty-seven per
cent of our entire male staff to be vet-
erans of World War II.

There's lots of work waiting for them.

Our big job right now is to clean up
delayed orders and we are losing no
time. No less than 75,000 telephones
have been installed since V-E Day.

Telephone instruments will soon be in
better supply. Central office apparatus
is the real problem. It takes time to
make and install this highly complicated
apparatus. That's why applicants in
areas where switchboards are full will
still have to wait some time for service.

We promise it won't be a minute
longer than necessary.

SERVANTS GALORE... BY WIRE

• The time to solve the servant problem once and for all is when you are building or "modernizing" your home. The greatest modern domestic servant is electricity. How well and to what extent electricity can serve you, now and in the future, depends on how well your "servant's entrance" is designed... how wisely your home is wired.

Inadequate wiring limits the use of electricity. It leads only to inefficient operation of lights and appliances. But adequate wiring... three wire service to the house, with proper size circuits in the home and plenty of outlets in every room... overcomes these difficulties, and gives you full use of these modern servants.

Electrical home appliances increased rapidly in number and variety before the war. They are now reappearing and will continue to multiply. Homes that were wired only for the needs of 20 years ago should now be rewired to suit the wonderful new "electrical servants" to come.

Hydro's low-cost dependable service enables you to use these modern servants to the full if you have provided for them. In planning your new home, put adequate wiring at the top of your list.

If you are improving or building a home, ask your Hydro for the booklet "Adequate Wiring for the Postwar Electric Homes of Canada."

Honor W. D. Richardson On 80th Birthday

Vandorf, March 28—The home of W. D. Richardson was the occasion of a pleasant surprise party on Sunday evening, March 24, when his son-in-law and daughter, Mr. and Mrs. Grant Mayor, and family of Barrie, his sisters, Misses Louise and Maud Richardson, Newmarket, his nieces and nephews of Toronto arrived unannounced to celebrate his 80th birthday. Mr. Richardson received a handsome Testament and several other gifts. After the presentations and congratulations they enjoyed a happy family gathering.

Mr. Richardson has one son, George, who resides with his family on the homestead and one daughter, Mrs. Mayor, Barrie, and four grandchildren. He enjoys fairly good health and is usually in his place in Wesley church choir on Sunday.

Born In Pine Orchard, Mrs. J. W. Lewis Dies

Mrs. J. W. Lewis, 23 Woodside Ave., Toronto, died suddenly on March 29 as a result of a stroke. Born at Pine Orchard on Sept. 3, 1874, a daughter of the late Elizabeth Lundy and Charles Case, she married John Washington Lewis in 1893. Mr. Lewis died Dec. 21, 1923.

Mrs. Lewis was a member of the United church.

Surviving are two sons, J. W. Lewis, Hamilton, and K. E. Lewis, Bronte, three daughters, Miss Luvu P. Lewis, New York City, Mrs. E. L. Cooper, Chatham, and Mrs. Roy Staples, Toronto, one sister, Mrs. Geo. Carberry, Toronto, and one brother, Glen Case, Montreal. A daughter, Mrs. W. D. Paton, Toronto, predeceased her.

Rev. Hugh Shannon conducted the funeral service at Queensville on April 1. Interment was made in Queensville cemetery.

MAGISTRATE'S COURT YOUTHS REMANDED ON BREAK-IN CHARGE

Four youths were remanded to April court here Friday, three on bail of \$500, and one on bail of \$400, on charges of having broken into a garage at Sutton and taking a car. Magistrate J. E. Pritchard presided.

The hearing of charges of having liquor without permits to cover it against Wilfred Morton, Jackson's Point, were continued from last week with the charge against Morton being dismissed.

Last week, Morton testified that he had bought two bottles of liquor in Lindsay for two friends and had used their permits. He said he had been given an order to purchase the liquor by the two men. Their permits were produced and the purchases were found to be listed.

This week, Harold Maund, a clerk at the vendor's in Lindsay, produced written orders authorizing Morton to make the purchases. "The evidence is that the liquor was legally purchased," said Magistrate Pritchard. "The regulations are a little vague as to the length of time that can elapse between the purchase and the time the liquor is handed over to the purchaser. I find that Morton did not hold the liquor an unreasonable length of time." Morton testified that he had bought the liquor Dec. 18 and had kept it until Christmas Eve when it was confiscated by the police.

Lyall Komar, Toronto, pleaded guilty to charges of dangerous driving and driving without an operator's permit. He was fined \$40 and costs on the first charge, and \$10 and costs on the second charge.

Norman Sellars, postmaster at Jackson's Point, testified that he saw the car driven by the accused proceeding towards him at a "fast" rate of speed and that it had skidded into a hydro pole, snapping the pole. Constable Wm. Burke testified that when called to the scene of the accident, the car was not there but that there was a skid mark showing where it had travelled, which, by the length, indicated the car had been going at a high rate of speed. He said he stopped the accused later on the street and had told him of the accident. He said Komar had no permit to drive.

Komar said that he had swerved to avoid another car and his own car had gone into a skid. "Driving Sunday without a permit 45 miles per hour or more places everybody on the same road in jeopardy of their lives," said Magistrate Pritchard in passing judgment.

THOMAS LAWS DIES, WELL-KNOWN BUILDER

Thomas Laws, well known carpenter and builder of Ravenshoe, died in York County hospital March 22 after an illness of less than two weeks. Death was caused by pleurisy and asthma, with which Mr. Laws was ill during the winter of 1944-45. During the summer and autumn, however, and into the winter he was able to be up and, on mild days, at his shop in Ravenshoe.

Born at Sunnidale, near Stayner, in Simcoe county, he had lived also at Collingwood, Newmarket, Queensville, Roche's Point and Ravenshoe. He was a son of the late Thomas Albert Laws. Twice married, Mr. Laws is survived by his wife, the former Mary E. Mitchell, Alliston.

Also surviving is his grandson, Thomas Albert Laws, Brown Hill, son of the late Frank Laws, who was Mr. Laws' only son. One sister, Lily, predeceased him but there remain seven sisters and two brothers. They are Mrs. Hall (Olive), Alliston; Mrs. Bowman (Minnie), Willowdale; Mrs. Dooner (Victoria), Toronto; Mrs. Wm. Taft (Elizabeth), Kalispell, Montana; Mrs. Frank Perrin (Martha), Senlac, Sask.; Mrs. Oliver (Ada), Moose Jaw, Sask.; Mrs. McKenzie (Eveline), Bowden, Alta.; Oscar Laws, Barrie; Ralph Laws, St. Catharines.

Funeral services were held March 24 in the chapel of Roadhouse and Rose, Newmarket, and at Newmarket cemetery. Rev. Alex. H. Halbert, Beeton, a long time friend of the family, and Rev. Gordon Lapp officiated. Pallbearers were Ravenshoe men, Stanley Armstrong, Edwin Breen, Chas. Harrison, Percy James, Wm. King and Percy Pollock.

Speaking of Potatoes

EXPERTS say there is no need for low potato yields—that 80 to 90 bushels of commercial potatoes as an average yield can be stepped up to as much as 320 bushels at small extra cost per acre.

This is accomplished by using certified disease-free seed, proper fertilizer and by control of late blight and pests such as potato bugs. Your agricultural college or experimental farm has useful information on this subject... yours for the asking.

Another important service to farmers is offered by The Bank of Toronto—the service of money. Friendly branch managers are ready and willing to aid responsible farmers with loans and financial advice.

Plant Only Ontario Tested Hybrids

DEPENDABLE FOR HIGH YIELD OF SOUND QUALITY GRAIN

Hybrid Seed Corn has long been the subject of careful study by men at the Ontario Agricultural College Experimental Farms. And after making thorough tests for production and maturity under soil and climatic conditions in Canada, they advise farmers to plant only Ontario Tested Hybrids.

- Semian Treated
- Superior root growth and wind resistance
- Stock plant-bred and borer resistance
- More uniform growth
- Yield of 20 to 30% above open-pollinated seeds

KESWICK KESWICK JUNIORS WIN PURDY-HENRY TROPHY

The spacious north hill residence of Mr. and Mrs. Arthur Mitchell was filled to the crowding point with neighbors and fellow church members when, on March 27, they were bidden farewell. After nine years' residence, during which he has managed the Matthews farm, Mr. Mitchell is moving to a place of his own at Vachell Hill, between Egypt and Sutton. During the evening of friendly visiting, Mr. Mitchell and his wife were thanked for their many expressions of neighborliness and assured that they and their three children would be greatly missed. Robt. Hamilton, a near neighbor, officiated for the presentation of a table lamp and a coffee table. Others who addressed words of felicitation and farewell to Mr. and Mrs. Mitchell were Rev. Gordon Lapp, Wm. Davison, Mrs. F. A. Morton, Ross Wrightman and Councillor J. A. Doyle. Mrs. Wm. Davison and Ross Folkard were thanked for their efforts in receiving the contributions of the people and in choosing the gifts. Refreshments were served and the guests departed, bearing with them a warm invitation to visit the Mitchells in their new home. Keswick hockey boys surrendered one trophy and received another at the church league banquet in Sutton on March 28. The Torrens Cup, which they won last year, goes to the Sutton Catholic boys who are now senior champions. But the new trophy, donated by Ralph Henry and Wm. Purdy and known as the Purdy-Henry Cup, is in the hands of Keswick junior team for the first year. Bernard Kay, captain and goaltender of the team, received the cup and thanked the donors on behalf of the team. A number of Keswick men accompanied the boys to Sutton for what was really a father and son banquet. N. P. Pitcher, Toronto, associate secretary of the Big Brothers Movement, was the speaker. Harry Torrens presided. Mrs. Lapp and Martin have returned home from a visit to Whitby and Toronto. Mrs. Jack Winch was at her home for the weekend, returning to Toronto on Monday to continue caring for a sister who is ill. Mr. Gordon Carr and family have arrived from Vanderford and taken up residence on the farm purchased from M. W. Connell. Mr. and Mrs. Connell are now living in the village. The evening service in the United church at 7.30 on Sunday, April 7, will be illustrated with a set of colored slides which portray a part of the life of Christ.

QUEENSVILLE

The April meeting of the United church W.A. will be held next Tuesday, April 9. The following ladies will be hostesses for the day. Mrs. Percy Bong, Mrs. W. Arnold, Mrs. Angus Smith, Mrs. J. T. Cowieson and Mrs. Syd Thompson. Sgt. Murray Huntley spent the past weekend with friends in Toronto. Mrs. C. Doan, Terry and Hazel, spent Sunday in Markham with Mrs. Doan's sister. Mrs. D. Taylor has returned home after spending three weeks with members of her family in Zephyr and Beaverton. The United church Sunday-school had an attendance of 83 last Sunday. Mrs. Gertrude Stallibras is in York County hospital where she underwent an operation on Monday morning. The following Red Cross articles have been sent to Sharon, shipping point, this week from the Queensville unit: two quilts, seven suits children's underwear, seven flannellette shirts, one girl's dress, seven baby bonnets with two pairs of booties each, one helmet, two girls' sweaters, one pair knee socks, eight pairs soldier's socks. Mrs. L. Irwin, president of the Red Cross unit, and the convener are grateful to all the willing workers who have done so much sewing and knitting during the war years. The present shipment is the final shipment for the time being but Red Cross work must go on and it is urgent that the Red Cross still has members. A canvass for members will be made immediately and it is hoped there will be a ready response to this worthy cause. Mr. and Mrs. Legge and Helen, Toronto, spent Sunday afternoon with Mr. and Mrs. Geo. Pehrson. The regular meeting of the W.M.S. was held at the home of Mrs. Silas Sennett March 28. Mrs. Hugh Shannon was in charge of the meeting. It was decided to hold the Easter thank-offering meeting on an evening in April and have a special speaker. Mrs. Will Henry collected the blocks for the quilt which is to be quilted in the near future. A meeting is to be held for preparing garments for the sale at Mrs. Smith's on Tuesday, April 2. A piano selection was given by Mrs. J. L. Smith which was much enjoyed. A paper on Education for Living was given by Mrs. Sydney Thompson.

DOAN-SINCLAIR

RITES MARCH 23

In Deer Park chapel, Toronto, March 23, Dr. Stanley Russell officiated at the wedding of Miss Anne Lorraine Sinclair, daughter of Mr. and Mrs. Charles J. Sinclair, Thornhill, to Robert Kenneth Doan, Suffield, Alta., son of Mr. and Mrs. Aubrey Doan, Glennville. Given in marriage by her father, the bride wore a delf blue afternoon dress with hat and gloves of American beauty and carried a bouquet of white roses and pink delish. The bride was attended by Mrs. Duncan F. Anderson, matron of honor, who wore a shell pink dress with matching hat. Calvin Doan, brother of the groom, acted as groomsman. At the reception the bride's mother received in a navy dress and

matching hat and wore a corsage of coral roses and sweet peas. She was assisted by the groom's mother, who chose a navy dress with flowered hat and wore a corsage of pink roses and sweet peas. The couple left for a honeymoon in the United States, the

bride wearing a powder blue coat trimmed with silver fox and black accessories. The couple will reside in Medicine Hat, Alta.

The Newmarket Era and Express office is open Saturday afternoons from 2 to 4.

WED ON PARENTS' 28TH ANNIVERSARY
The wedding of Frances Doreen Smith, daughter of Mr. and Mrs. Harry A. Smith, Gormley, and Lloyd Franklin Harvey, son of Mr. and Mrs. Frank Harvey, Gormley, was solemnized on March 23 in Mount Pisgah United church with Rev. E. C. Modde officiating.
Ferns, daffodils and mauve stocks formed the floral setting. During the signing of the register Mr. Roland Modde sang Because, accompanied by Miss Arvilla Forester at the organ.
Given in marriage by her father, the bride wore a gown of white satin, fashioned on princess lines. Her finger-tip veil was caught with a flowered headress and she carried a shower bouquet of pink roses.
The only sisters of the bride couple attended. Mrs. Aubrey Barker, as bridesmaid, wore a mauve crepe, floor-length dress and matching hat. She carried a bouquet of yellow roses. Miss Joyce Harvey, as junior bridesmaid, wore a yellow crepe, floor-length dress with matching hat and carried a nosegay of mauve sweet peas.
Mr. Fred Cluening, Stouffville, was best man and Mr. Aubrey Barker and Mr. Allan Doner acted as ushers.
After the reception at the home of the bride's parents, the bride donned a three-piece grey ensemble, black accessories and Russian squirrel furs, the gift of the groom. The couple will reside in Gormley. The date chosen was the 28th wedding anniversary of the bride's parents.

MRS. MARY DAVIS, 89, PASSES IN BARRIE
The death occurred at Barrie on March 22 of Mrs. Mary Davis, widow of the late James Davis, and mother of Mrs. John Dodd, Kennedy St.
Suffering a heart condition, she had been confined to her bed for a short time. Her 89th birthday was observed February 27. Born in Perth county, she was a daughter of Mr. and Mrs. Matthew Chapman, Listowel. In 1873 she was married to George Davis, Brussels, where they resided until the death of Mr. Davis. For the past 27 years she had made her home with her daughter, Mrs. E. F. Smith. She was a member of the Baptist church.
Surviving is a brother, Arthur Chapman, Toronto, last of a family of 13 children; three daughters, Mrs. E. F. Smith (Annie), Barrie; Mrs. A. J. Happ (Nettie), Rochester, N.Y.; and Mrs. John Dodd (Elizabeth), Aurora; and one son, George Davis, Brussels. There are 18 grandchildren and 27 great-grandchildren.
The funeral service, held in Barrie on the day Mrs. Davis died, was conducted by Rev. T. J. Haire at the Lloyd and Steekley Funeral Home. The body was then taken to Brussels near Guelph where interment took place in the family plot on March 25.

Council Grants Legion \$500, Lease Of Arena
Aurora town council on Monday unanimously approved a grant of \$500 to Aurora Branch 355, Canadian Legion B.E.S.L. and also approved the leasing of the Aurora arena to the local branch of the Legion from May 1 to October 1 at a rental of \$1.
A delegation from the Legion composed of the president, John Sisman, T. A. M. Hulse, secretary, Alfred Bolsby, finance chairman, William Waite, building chairman, and Robert Hodgkinson, waited upon council and Mr. Bolsby presented a brief to council outlining the needs of the local branch.
The use of the arena would provide a needed recreation centre pending more permanent quarters for ex-servicemen and women and for the entire community, Mr. Bolsby pointed out. Wrestling and boxing shows, large community eueches, box-lacrosse, carnivals and possibly dancing if suitable removable flooring could be obtained, were some of the ways the branch planned to raise funds for their purposes and provide Aurora with recreation attractions. Unless more suitable quarters could be secured the dressing rooms would be used for club room purposes. All charges for light and water and any repairs would be borne by the Legion.
"We wish to make it understood that the activities of our organization would be of a nature that would not be subject to any adverse criticism," read the brief.
Membership fees had been kept low in order that all might join and only a small amount remained for the local branch to use in view of the dominion wide

OUGH'S SOLD AGAIN
Too late for last week's issue was the purchase of the Ough Hardware business from Stewart Patrick by John Bowser of the Aurora Building Co. Mr. Bowser has taken possession and the operation of the business continues as usual.
extent of the Canadian Legion. Funds were needed to secure furniture, colors and carry on until events could be staged.
"We shouldn't hesitate for a moment to grant their request," said Councillor Dr. Crawford Rose. "They are not out for selfish purposes and I look to the Legion to play a leading part in the life of the town."
"It is a good idea, this is one organization that is really going to help the town get ahead," said Councillor Stewart Patrick. "We were all behind these fellows when the war was on and we still should be," said Councillor R. V. Smith. "It will be a real boost to them in their first year, which is always the hardest."
"It is the duty of every citizen to help these boys get along, not only as an organization but individually," said Deputy-Reeve A. A. Cook.
Council upon motion of Reeve C. E. Sparks and Deputy-Reeve Cook unanimously approved the grant.
President Sisman announced the Legion was contemplating a large drumhead service near the anniversary of V-E Day and the mayor and council promised full support.

UNITED CHURCH WELCOMES 80 NEW MEMBERS
Sunday morning, 80 new members were received into church membership by Rev. Roy Hicks at Aurora United church. Before the morning service, the 44 who joined the church by profession of faith were presented with New Testaments by church officials including E. H. Clarke, Miss Anna Wilson, Charles Copland, Asa Cook and Ross Linton. Clerk of the Sessions, A. E. Quinn, and Mr. Clarke assisted the pastor in welcoming the new members to the congregation.
Communion service followed with 415 communicants.
The following adult baptisms took place at 10 a.m.: Mary Anne McRae, Barbara Eleanor Hayes, Marie Lillian Spence, Douglas Grant Preston, David John Harrison, Frank Stanley Harrison, Philip Benjamin Harrison, Dennis Ormsby Doherty, Jamie Gault Little.
Those received into church membership by profession of faith were: Ann McRae, Lois Morrison, Arlene Morrison, Barbara Hayes, Peggy Jones, Fern Preston, Velma Hawman, Marie Spence.
Laurine Manning, Barbara Seaton, Norma Matthews, Audrey Manning, Lois Crossley, Ross Collins, David Harrison, Grant Preston, Eugene Underhill, Frank Harrison, Philip Harrison, Donald Watson, Robert Hill, Gordon Cuttle, Gordon Eccles-ton, John Capon, James Vaughan, Fred Gedge, Frank Lillico, Dennis Doherty, Ronald Simpson, Donald Taylor.
Those received by transfer and re-affirmation were: Mr. and Mrs. R. J. Modde (Downsview), J. W. Morton (confirmation), James Emmons (Orillia), Rev. W. J. and Mrs. Stewart (Dalston), Watson Elliott and Mrs. E. J. Bolton (Kettleby), Mrs. J. P. Fowler (Toronto Bloor St.), Mr. and Mrs. Sulek (Free Church of Scotland), Mrs. Douglas Bilbrough, Miss Gladys Preston, Mrs. Kenneth McCleny, Mr. and Mrs. Sam Atkinson (Wesley), Mr. and Mrs. N. Matthew (Riverdale Westminster), Mr. and Mrs. Fred Perry, Miss Winnifred Perry (Roussseau), Mrs. J. W. Morton (Newmarket Congregational-Christian church), Mrs. Asa Cook (St. John's, Oak Ridges), Stanley Walker (confirmation), Gordon Stoutt (Omanagh), Albert Collins (confirmation), Mr. and Mrs. Charles Adams (Seaford), Reg. Warren, Markdale, Mrs. R. Warren (St. Simon's, Lachute, Que.), Mrs. H. S. Warren, Miss W. G. Warren, Mrs. H. J. Coad (Woodville), Mrs. James Wilson (St. Mathew's Lutheran, Kitchener), J. A. Gemmill (St. Clair).

COLLECT 25 TONS
Twenty-five tons of waste paper were collected in March by the contestants in the salvage drive conducted by the Aurora Board of Trade. A second carload was shipped out last Saturday. Next collection day is Saturday, April 13, and those in charge request the public to co-operate with the contestants who are vying for prizes. Bobby Bull and Jimmy Higgins are battling it out for leadership, but there are at least a dozen other competitors who stand a real chance of overhauling the leaders.

Tax Rate 41 Mills, New Expenditures Noted In '46 Plans
Aurora town council on Monday night set a mill rate for 1946 of 40 mills, but as this amount takes into consideration a rebate of one mill by the Ontario government, the actual mill rate is 41 mills, an increase of one mill over 1945.
Councillor A. N. Fisher, chairman of the finance committee, brought in his report at the same figure as last year, but when various new requests for grants and additional services were requested by rate-payers' delegations, and the estimates were reviewed, it was unanimously approved that the new rate be set.
New items appearing in the budget: \$3,500 for the extension of new streets (Kennedy, Gurnett, Wells and George); the engagement of Aurora Boys' Band for five concerts at a fee of \$250; a provision of \$1,117 for 1946 salary for a new constable; \$1,250 for the payment of the salaries of mayor and council; the cost of the municipal presentation and banquet to ex-service personnel.
Grants which have been a minor item in the last few years showed peacetime influence, Aurora Horse Show, back after an absence of four years, was granted \$100. Aurora Branch of the Canadian Legion was granted \$500 for organization purposes and purchasing of equipment. Allowance of \$500 was made for a municipal grant towards a Victorian Order nurse, if and when needed in 1946.
Substantial increases were noted in two grants over which the Aurora council has no control. The York county levy of \$7,702.37 represented a mill increase. The Aurora public school board upped their request for a grant from \$10,000 in 1945 to \$15,288 (this only represents an increase of \$2,500 as the town had to supply the board with additional funds last year covered in the levy this year).

D.S.T. APRIL 28
Daylight saving time will come into effect in Aurora on Sunday, April 28, and will remain in force until September 28 following the approval by council of the scheme on Monday evening. The request came to council from the C.N.R. and councillors approved following the example of neighboring municipalities.
"We have little control over the vast amount collected. It is already cat-marked for specific purposes before we get it. We haven't a great deal to make improvements with," Mr. Fisher said. "We are trying to keep down the mill rate, keep the town progressing, and give the people what they want. It is a difficult task."
This year no levy was asked by the Aurora high school board, which presented a saving of over \$5,000 to the town, this being due to the Ontario government's education grants. Small savings were made in many of the various departments of the town in the 1946 estimates.
Possibility that debentures to cover improvements under the Local Improvement Act, if building development warranted the expansion of the town, would have to be issued and borne largely by the properties adjacent, was pointed out by Deputy-Reeve A. A. Cook.
"We are keeping down the rate as low as possible, and we will have no surplus to spend," said Mr. Cook.
"The increased services expected and wanted by the public can be seen in the figures," said Mayor Ross Linton. "Debenture payments drop, but we can't lower the rate because of new items, and repairs and up-keep to old items, neglected over a period of years."

Lions Midgets Win Berth In Final Play-Off Round
Aurora Lions midgets rolled merrily along to their sixth straight win, and a berth in the O.M.H.A. midget "B" finals by a 6-2 win over Whitby ironmen in Oshawa on Thursday. Aurora took the round 13-6 and now will meet Thorold, the defending champions. It marked the furthest any Aurora hockey team has gone since Aurora Junior "C" crown in 1939.
Once again the Aurora youngsters left no doubt as to their superiority over Doug Maundrell's Whitby aggregation, out-shooting the hardworking blue and red team by a good two to one margin, coming from behind, taking advantage of the breaks, and continuing to carry the offensive even after a comfortable lead had been secured.
It was a bitter pill the Whitby fans swallowed that day. In the opener of the double-header played at Oshawa arena, Chatsworth bantams took a 5-4 win, Aurora ousted the midgets, and over at Port Colborne, Whitby Red Wings took it on the chin 11-2 in the first junior "C" O.H.A. finals. "There was no joy in Mudville."

SCHOOL PLANS SENT TO DEPT. FOR APPROVAL
Aurora public school board approved in principle on Monday evening a plan for a 14-room school of two storeys submitted by the architect, Forsy Page, and the rough plan is now before the Department of Education for approval. Following this, if approval is obtained, the board will consider specific details and will call for tenders for the construction.
A drawing of the proposed new school is now on display in the window of Trustee J. F. Willis, Aurora druggist and Era and Express dealer, and citizens have been displaying a keen interest in the diagram.
To face on Victoria St., the building is modernistic in design and allows plenty of light. A combined gymnasium and auditorium with entrance on Church St. will be built on the site of the old school. Ample provision is being allowed for any future expansion needed. There is no basement except for heating purposes under the main school building. The construction will be brick. The building is of low construction.
Negotiations are still continuing for the securing of the necessary land for expansion. Recent developments would point to securing the Bradford property immediately north of the school without expropriation proceedings being necessary.

Descendant Of Pioneer, Walter Machell Passes
Funeral services were held from Trinity Anglican church today for Aurora's oldest native son, Walter Machell, Tyler St. Mr. Machell was born in Aurora in 1850, the son of the late Edwin Machell, also born here, and Uretta Davis. His grandfather, Richard Machell, was one of the pioneers of the district and Aurora at one time bore the name of Machell's Corners.
Mr. Machell remembered the confederation and the coming to Aurora of Sir John A. McDonald in his teens. Married at the age of 21, he opened a brickyard on the site of the Collis Leather plant at the age of 22 and he operated this business for over 40 years. Bricks from the plant are in Mechanics' Hall, Aurora public school and all local churches.
On his retirement from business, he joined the staff of the sheriff of the County of York and for nearly 20 years served in this capacity. From 1916 until 1936 he served as bailiff of the 6th Division Court. For many years he was an ardent hunter. He was a life long member of Trinity church.
Rev. R. K. Perdue was in charge of the funeral service and the pallbearers were Edward Machell, Edward Machell, Jr., Frank and Ross Machell, Stewart DeLaHaye and M. Douglas. Interment was at Aurora cemetery.
He is survived by three sons, Edward, Toronto, Ross, Aurora, and Frank, Brampton, and two daughters, Mrs. W. Dove (Gladys), Toronto, and Mrs. Orlie DeLaHaye (Julia), Aurora. His wife, the former Martha Cobb, predeceased him 17 years ago.

WITH THE FORCES
Arriving in Brockville today with the Brockville Rifles and expected home by the weekend is Pte. William Ransom, Ross St., former member of Aurora Boys' Band. Enlisting in 1943, Pte. Ransom has been stationed in Jamaica since early in 1944 with his unit. He is a former employee of the Collis Leather Co.
LAC Eric Bunn, R.C.A.F., who has been on active service with the air force since 1943, has received his discharge and is now holidaying with his parents, Mr. and Mrs. G. A. Bunn. He was stationed mostly in Labrador and Nova Scotia.

WITH THE CHURCHES
The Aurora Gospel church for the time being will hold services in the public meeting room in the old town hall, having lost the use of Mechanics' Hall, now occupied by Aurora Textiles.
Miss I. Saunders of the United Church Missionary branch, formerly stationed in Trinidad, addressed the W.M.S. of Aurora United church this afternoon. Tea was served following the meeting.
Rev. W. F. Wrixon, Richmond Hill, was the guest speaker in Kettleby United church on Monday evening and Rev. S. J. Mathers of St. James', Bond St., Toronto, took Wednesday's service at Kettleby Baptist church in the preaching mission conducted by Kettleby churches under the leadership of Rev. F. V. Abbott (Anglican), Rev. C. E. Cragg (United), and Rev. Harry Wilson (Baptist). Rev. A. R. Park of Aurora Baptist church, concludes the meetings at Christ church, Kettleby, tomorrow evening.

THE AURORA FARMER HEADS DOWN UNDER
Earl McCready, well known Aurora resident and internationally known wrestling star, left last week for a tour that will take him as far as New Zealand. "The Aurora Farmer" goes to Calgary first, thence through the north-western states to San Francisco. He will sail for New Zealand and Australia this month.
Mr. McCready is no stranger to the land "down under" having introduced modern professional wrestling there back in pre-war days. He expects to remain in the Antipodes until early fall and possibly a few months longer. His last Toronto appearance was against Talun, the Polish giant, two weeks ago. Earl's exploits will be followed with keen interest by sports fans everywhere.

H.S. PLANS MEETING OF PARENTS, TEACHERS
On Monday, April 8, the Aurora Home and School Association will hold a parents-teachers' night at 8 p.m. Everyone is invited to attend and the attendance is eagerly being watched by the school pupils who seek possession of the association's picture, now held by Miss Genevieve Robinson's class, for the best parent attendance at the last meeting.
Dr. C. J. Devins will be the guest speaker and members of the school staff will be on hand to meet the parents of their pupils and discuss problems.

AWARDED CONTRACT
E. A. Hawkins, Aurora, has been awarded a contract of \$1,100 to straighten the creek bed, install tile, cover with fill and surface the new extension of Gurnett and Kennedy Sts. The contract was approved by the streets committee and the town council accepted its recommendation on Monday evening.

ASKS DONATIONS OF EGGS FOR ORPHANS
Maj. W. H. Taylor, veteran trustee of the Loyal True Blue Orphanage at Elgin Mills, wishes to remind Aurorians that Easter is not far away, and once again the 90 children at the home are eagerly looking forward to the feast of eggs provided the past 15 years or more by the people of the Aurora district. Mr. Taylor and Marshall Rank will again accept contributions of eggs for the children. Around 250 dozen were received last year.

GOLFERS OUT
A new course record was set when 20 members of the Highlands Golf club played as many as 18 holes on Sunday. This marks the earliest the green flags have been set out in March and the course dry enough to play upon. Games have, it is true, been played at an earlier date, but never with the course ready to go. "It was as dry as in June. The course is in great shape and the greens were exceptionally good," the past president, Frank Barnes, said.

HAS OPERATION
Gordon Lee, Aurora high school student, underwent an appendix operation at York County hospital Monday. He is progressing favorably.

TO HEAR LECTURES
Thirty-six ladies have registered for the course in child psychology being given each Thursday evening in Aurora high school by Dr. Karl Bernhardt of Toronto under the auspices of the Aurora Home and School Association.

REFUSE CLAIM
Kenneth Johnston, Collingwood, sought to obtain payment for a manifold broken on town property as he drove into a local garage. After inspection of the sidewalk, Aurora town council denied any liability and refused to pay the claim.

BUY TOWN LOTS
Deputy-Reeve A. A. Cook has purchased three lots on Edward St., 30' x 116' each, at a price of \$200. The lots, owned by the town, lack street entrance at present and adjoin the deputy-reeve's industrial property. The Aurora town council, with the deputy-revee not voting, unanimously approved the sale.

SUTTON WEST

ACTIVE SPORTSMAN, ANG. MACMILLAN DIES

Well known for his work in community sports, and his many public associations, Angus MacMillan died suddenly at his home in Sutton West following a stroke March 21.

Born in Beaverton, the son of the late Mr. and Mrs. Malcolm MacMillan, he married Lettie Riddell who survives him.

For the past 23 years, he had been employed as a construction engineer with the Warren Bituminous Paving Co.

He was a member of St. Andrew's Presbyterian church, Sutton, and of the Masonic Order. His chief interest was in sports and he played a prominent part in fostering local athletic activities.

Surviving besides his widow are a daughter, Mrs. W. F. Davenport (Jean), Toronto, a grandchild, Elizabeth Jeanne Davenport, three brothers and two sisters.

Rev. W. M. Patterson, D.D., conducted the funeral service which was under Masonic auspices at St. Andrew's church March 24. Interment was in Briar Hill cemetery, Sutton. Pallbearers were George Holborn, Frank Kaiser, Roy Thompson, Chas. Tomlinson, Dr. Stevens, Harry Torrance. The many floral tributes from the associations with which Mr. MacMillan was connected, and friends and relatives were testimony of the esteem in which Mr. MacMillan was held.

DOWN THE CENTRE

(Continued from Page 3)

Comb in a special article. Com-
menting on the ups and downs
of the Providence team, he says:
"There is on the roster a player
whose performance has been
amazingly consistent considering
this is his first year of profes-
sional hockey. And Billy Mc-
Comb fresh out of the amateurs
this season, despite his 24 years
of life, should be a strong con-
tender for selection as the out-
standing rookie of the American
League Campaign". The award
has not been announced as yet
and it carries \$200 with it.
Aborn says hundreds of fans
around the circuit would vote for
McComb. "He points out these
facts, well known locally, 'sel-
dom does another centre beat
him to the puck at a face-off',
'his control of the puck is un-
canny for one so new in pro
hockey'; 'McComb has a gentle
appearance along with light hair
but he's tougher than he looks
as opposing forwards will attest'.
Joint has won himself a place
in the hearts of the fans through-
out the circuit and it will be a
different boy who starts the
1946-47 schedule, rarin' to go.

Incidentally, those two top
ranking hockey fans, Jimmy
Walker and Roy Middlebrook,
bought tickets a few weeks ago
for a game in Buffalo but can-
celled reservations when they
learned McComb would be out
of the line-up. District softball
circles, including those interest-
ed in Aurora, will be casting a con-
templative eye at McComb who
ranks on past performances as
just about the No. 1 mushball
hurler of the district. McComb,
unless we miss our guess, will
be ready to play softball once
again.

Statistically speaking, here's
what "our boys" did the past
winter in the N.H.L. Billy Tay-
lor, sparkplug of the 1945 New-
market camp team, back at his
old post with the Leafs and
dubbed by no less a person than
Sweeney Schriner as "the great-
est centre of all time", ranked
tenth in the league scorers with
23 goals and 18 assists for a total
of 41 points. Gaye Stewart
was the only Leaf to pot more
goals and Taylor, who was in
Smythe's bad books at the start
of the year, has already been
signed to a new contract at an
increased figure. Bep Guidolin,
another favorite in Newmarket,
with the Boston Bruins in 50
games, bagged 15 goals and 17
assists for a 32 point total, good
enough to take the 21st position
among the league scorers. Bep-
po, who won the penalty honors
in the services league last year,
just about got that honor in the
N.H.L. He spent a total of 62
minutes in the housegown to lead

"LIFE'S BIGGER MOMENTS"

To a young man with
a big new job

So you finally got the break you
wanted... and now you've got
that "airborne" feeling. The first
thing you'll do, no doubt, is to
grab a telephone and pass the
good word along to That Certain
Person. And the next thing we
hope you'll do is to settle down
and do some brass-tack thinking.
Now you have that bright new
job, it's a grand time to check
over your future and make sure
of getting some of the things you
really want. By that we mean
check such things as your Life
Assurance programme. You'll
find the problems of Today a lot
easier to face if you don't have any
fears about Tomorrow.

How about calling in the North
American Life representative
NOW, and talking over that rosy
future of yours? Have him show
you how your steadily increasing
income can guarantee you steadily
growing independence, and ade-
quate protection for your family.

only to Jack Stewart, the Detroit
defenceman, who sinbinned it for
a total of 73 minutes. Herbie
Cain, besides bagging his 200th
goal this year and scoring plenty
of pay-off counters, finished in
25th place with a total of 29
points, made up of 17 goals and
12 assists. As per usual, you
could count his time in the pen-
alty box on the fingers, four
minutes in all, but still no Lady
Byng trophy. Guess we won't
be happy until brother Cain gets
that one. Mrs. Cain and five-
year-old Colleen were in Detroit
for one of the play-off games
and Papa Herb really went to
town with the folks looking on.

Dit Clapper, despite his retire-
ment, staggered out in his 19th
year in the big leagues for 32
games. He got two goals and
three assists for five points and
set some kind of a record for his
playing career by getting no
penalties. Dit didn't get a nod
for his coaching efforts by the
selectors but he's done a sweet
job. This trio is, of course, at
the time of writing still going
strong, so more later. Rumor
persists in saying that if New-
market gets artificial ice, the
Boston club will make cana-
town their headquarters. It may
be wishful thinking but stranger
things have happened. We'll
probably be saying more about
that later. Now the Leafs are
out. Bruins are being pretty well
regarded by district sports fans.

Reg Blackstock and his senior
cagers from Pickering College
bit the dust last week in the first
of the district playdowns. Tor-
onto Western Commerce did a
repeat performance from last
season. Toronto collegians got a
15-point lead on their own floor
but weren't awed a bit by visit-
ing McCulley Hall and took a 48-
33 win to win the round 97-67. No
alibis offered, the best team won.
Now Barney Jackson and the
grey and blue juniors are meet-
ing Oakwood C.I. this week in
the T. and D. junior play-offs
and are hoping for a better fate.

circuit" last week and as per

PLEASANTVILLE

The Bogartown club met last
Friday night at the schoolhouse
it being bachelor night, the boys
put on a good program. The
next meeting will be held on
Friday, April 26.
Rev. R. R. McMath was a din-
ner guest at the Colville home
last Thursday. Miss Dora Mc-
Clure and Mrs. Harry Hunt were
tea guests.
Mr. and Mrs. Allan Forbes and
Donna, Oshawa, were weekend
guests at the Toole homes.
Mr. and Mrs. Victor Fines and
three boys of Aurora had Sun-
day tea at the home of Mr. M.
Sheridan.
Guests at the home of Mrs. G.
McClure on Sunday were Miss
Evelyn Woodhouse and Mr.
Chester Keerfoot, Mount Dennis.
Miss Joan Bovair, Newmarket,
had a weekend holiday with her
friend, Miss Erla Toole.
Mr. and Mrs. A. M. Colville
motored to Toronto on Sunday to

usual, those Pickering artists
took us for a K.O. It was tops
and we don't need to ask Augus-
tus Bridge either. Barry Cooper,
who played some fine basketball
for Pickering juniors in the
North York circuit, had one of
the leads and it Barry, who is
pretty fair on the cage floor,
could play as well as he can
on foot, he'd be outstanding.
Other cagers who were seen
across the footlights included
Henry Aguayo, Hugh Edgheffer,
Bill Hutcheson and one or two
more. Guess we'll have to get
those Pickering laddies to give
out with the music while the
games are on in the future. The
opposition just couldn't hold out
against those odds.

Two liners now being built in
Britain will carry helicopters to
fly off mail and urgent freight
as they near port, reports the
London Daily Express. The
United Kingdom aircraft indus-
try is giving a great deal of at-
tention to helicopter develop-
ment. It was recently announ-
ced that one company is working
on a helicopter which is expect-
ed to fulfil a wide demand as a
privately-owned plane and an
air taxi. It will have a speed of
100 miles per hour.

In Memoriam
Bache—In loving memory of Lucy A. Bache who passed away April 3, 1942. There is a link death cannot sever. Love and remembrance last forever. Time takes away the edge of grief. But memory turns back every leaf. Ever remembered by sister, brother, sister-in-law and family.
Blencowe—In loving memory of my dear brother, Robert Blencowe, killed in action March 30, 1945. You are not forgotten, brother dear. Nor ever shall you be; As long as life and memory last We shall always remember thee. Ever remembered by sister, Eva, brother-in-law, Gourlay, and family.
Munshaw—In loving memory of a dear wife and mother, Jennie Brown Munshaw, who passed away April 7, 1930. You can only have one mother. Patient, kind and true; No other friend in all the world Will be as true to you. For all her loving kindness She asked nothing in return; If all the world deserted you To your mother you can turn. So all we can do, dear mother, Is to go and tend your grave And leave behind a token of love To the best mother God ever gave. Lovingly remembered by her husband and sons, Ewart, Bruce and Garfield, Kettleby.

Munshaw—Could I have clasped the hand Of the mother I loved so well, To kiss her brow when death was nigh And whisper, "Mother, farewell." In my chest of cherished memories I have locked up thoughts of you, Your smiling face, your tender love And the things you used to do. And now and then when I'm alone, I open up the chest And spend a while just thinking of The one I loved the best. Lovingly remembered by daughters, Mary and Agnes, Newmarket.
Rose—In loving memory of a dear wife, mother and grandmother, Elsie, wife of Charles H. Rose, who passed away April 4, 1944. Time speeds on, two years have passed Since death its gloom, its shadow cast Within our home where all seemed bright And took from us a shining light. We miss that light and ever will, Her vacant place there is none can fill. Down here we mourn, but not in vain For up in heaven we will meet again. Ever remembered, husband, Helen and Edwin, Donald and Ronald.
Rose—In loving memory of our dear mother and grandmother, Mrs. Chas. Rose, who passed away two years ago. They say time heals all sorrow And helps us to forget, But so far has only proved How much we miss her yet. God gave us strength, to face it And courage to bear the blow But what it meant to lose you, mother, No one will ever know. Ever remembered by son, Leslie, and family.
Wright—In loving memory of my dear father, George E. Wright, who passed away March 31, 1944. Gone to rest, dear father, Away from all sorrow and pain, Rest in peace, dear father, Until we meet again. Lovingly remembered, daughter, Flossie.
Willoughby—In loving memory of a dear father, Charles E. Willoughby, who passed away April 5, 1940. Your presence is ever near us, Your love remains with us yet, You were the kind of a father Your loved ones could never forget. Sadly missed by daughter, Muriel Pollard, and son-in-law, Harold.

Overall Pant
Mr. Farmer
209 Pairs
AVAILABLE FOR MEN AND BOYS
Treat 'Em Rough
WESTERN RIVETTED
Overall work pants, copper rivetted at points of strain. Double stitched seams, roomy pockets. Also the famous Wear-More Walker's blue drill pants, all sizes for men and boys. They can take hard wear and punishment. Mr. Farmer, do you know 64,000 farms have been closed since 1911. If I had my way, I would abolish all controls affecting farm produce. Remember, if you farmers would stick together, you could have the strongest organization in the country.
